

Dear Second Graders,

I am looking forward to seeing you in my class next school year. During the summer, it is important to keep the reading and math skills you worked so hard to learn this year. You need to read at least five books this summer and record their titles on the attached list. Then choose your favorite and complete the book report on it. Please hand in these assignments during the first week of school in August.

Practice your math facts at least once per week by using your flashcards or playing a game on the computer.

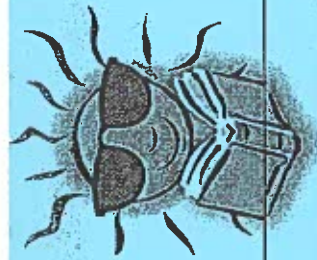

I hope you have lots of fun this summer! I want to hear all about it when I see you in August.

Sincerely,

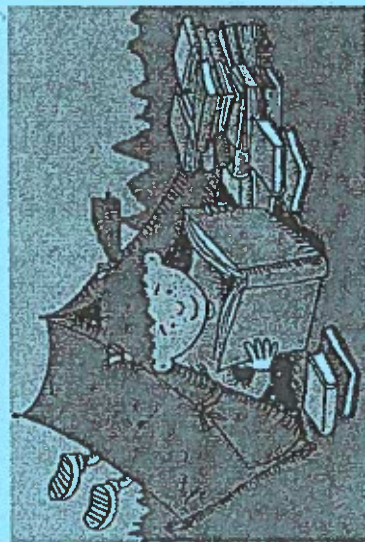

Mrs. Merkle

Book Report

► Finish the sentences.

The book is _____

(title)

It is by _____

(author)

► Draw a picture on the T-shirt to tell what the book is about. You may also write words on the shirt. Make people want to buy the book.
